

10 Reasons We're Different

because not all **hospitality management solutions** are the same!

1 In Business for 28 Years!

We understand the hospitality business, and have the experience you can count on to get the job done right!

2 Live Agent Support 24/7/365

Someone you can count on for support during the day, night, weekend - anytime you need us.

3 Open Hardware Platforms

Choose between **PAR** or **Toshiba**, both non-proprietary hardware platforms, based on your budget.

4 Use Popular Consumer Hardware

Run your POS software from **iPad**, **iPod**, or **Playbook** - you decide!

5 We Are More Than Just POS

We are experts in liquor control systems, kitchen display, retail POS and more!

6 We Value Our Business Relationships

We see clients as long term business partners, and keep in touch with monthly free webinars, quarterly newsletters, and more.

7 You Control Your Service

Track all of your service calls online so you can make an educated decision regarding your ongoing service investment.

8 We Know Hospitality!

Our people are almost 100% hospitality industry veterans that have training and experience in technology, not the other way around!

9 The Right Solution for You, Not Us!

We get to know our clients, what you need to measure and manage in your business, and how you will market it - we propose solutions that fit **your** business model.
